HiTRAC ALL SEASON

# SMOOTH AND QUIET RIDE FOR FAMILY VEHICLES

For the mid size car & crossovers, this Grand Touring All-Season tire is a skillful balance of luxury and all-season performance. Designed to be the quietest and smoothest in its segment, this product delivers exceptional wear life.

**Smooth, Quiet Ride**
Optimized tread block contour and pitch sequence cut road noise, while a dual reinforcing system delivers the acoustic comfort and smooth ride families expect

**Precise, Responsive Handling**
A wide tread design and shoulder evacuation grooves sharpen steering response and lateral control for confident cornering on dry roads

**Superior Wet Performance**
Large circumferential grooves and shoulder channels disperse water from the contact patch for hydroplaning resistance, shorter stopping distances,* and quicker steering recovery*

**Outstanding Worn tire Performance**
3D sipe technology and a high-traction compound retain grip and handling as the tire wears, with class-leading sound and ride quality and no irregular wear

** Based on internal testing*
