QUATRAC *Classic*

CLASSIC DESIGN. ALL-WEATHER CONFIDENCE

The Quatrac Classic is an all-weather tire designed for classic cars, combining period-correct styling with advanced safety features.

Aquaplaning Safety
Directional design with wide circumferential grooves and evacuation slots to open shoulders clears water easily from the contact patch

Greater Wet Grip
A modern full-silica tread compound improves grip even in the wettest conditions

Winter Safety
3PMSF-certified, with lateral grooves, generous siping, and independent tread blocks providing the biting edges for confident cold-season driving

Classic Handling, Quiet Ride
A lightweight four-rib pattern with continuous rubber-to-road contact delivers confident handling and a noise-reducing design
