

# THE ULTIMATE BLEND OF POWER AND ELEGANCE —

## ULTRAC PRO

Ultrac Pro offers the best of both worlds - sporty driving and a comfortable ride. It delivers breakthrough performance on all parameters, being sportier, more comfortable, upgraded in safety, and more fuel/battery efficient.

### BENEFITS

- Sporty driving with maximum control, even at very high speeds
- Relaxed, smooth and best-in-class driving experience
- Enhanced safety with shorter braking distances on both dry & wet roads
- Top-notch performance which is efficient: Consuming less fuel / battery

### FEATURES

- 9% better\* on limit handling due to re-engineered bead construction
- 8% better\* ride comfort due to larger flex-zone in the tire sidewall
- New-generation traction compound and a more-oval footprint; Wet Grip label class upgrade\*
- Rolling resistance label class upgrade\* due to reimagined light-weight construction

\* Basis internal testing compared to predecessor Ultrac Vorti+ in size 245/45 ZR18 (100Y) XL
